

# iCYCLING

March 2010

Welcome to iCYCLING!

iCYCLING is our new indoor cycling program with state-of-the-art Keiser M<sub>3</sub> magnetic resistance bikes. Classes are led by nationally certified instructors. iCYCLING is designed for individuals of all fitness levels and experience, from first time riders to experienced racers. It is a perfect program for those looking to incorporate cross-training into their workout AND for those who are specifically training for an event or sports activity. Come be inspired and invigorated with us!!

Remember:

- Bring a towel and water bottle.
- Come early if you have never set up a bike before.
