

## Ethics in Action:

### *The Many Facets of Transplantation*

**Tuesday, May 16, 2006**  
**8:15 a.m. - 4 p.m.**

Schroeder Auditorium, Sioux Valley Hospital

#### Target Audience

Registered Nurses, LPN's, Social Workers, Clergy, and others interested in ethical issues in caregiving.

#### Goal

To broaden the knowledge and awareness of ethical issues encountered by professional caregivers.

#### Objectives

After completing this program the participant will be able to:

1. Identify the process required to obtain an organ for transplant.
2. Explore the psychosocial challenges of transplant from live donors vs cadavers
3. Describe religious, spiritual and cultural perspectives related to transplantation.
4. Describe elements of informed consent that are critical in transplantation.
5. Identify the tension between autonomy and responsibility for patients post transplant.
