The Parkinson Association of South Dakota serves as a regional resource for those who have the disease and the people who know, love and care for them. The Association's goals are to:

- Provide education and support to those affected by Parkinson disease as well as their caretakers, families and the general public.
- Raise funds for research.
- Support special programming for Parkinsonians and their families.

We would like to invite you to become a member of the Parkinson Association of South Dakota, a chapter of the National Parkinson Foundation, Inc.

Annual chapter dues are \$15 for individuals and \$25 for families. Dues are used locally to support workshops, educational activities, support groups, and for national research.

The Parkinson Association of South Dakota offers education and outreach through:

- Monthly support group meetings.
- Annual meetings.
- Quarterly newsletters.
- Informational materials.
- Panel discussions, conferences, workshops.
- Public awareness.
- Exercise programs (NeuroFit).

Parkinson Association of South Dakota's Purpose

- Improve the quality of life for the Parkinsonian, family and friends.
- Promote discussion and mutual sharing in a confidential atmosphere.
- Sponsor educational programs, speakers, and social activities.
- Recognize the needs of the caregiver as well as those of the Parkinsonian.
- Emphasize the importance of exercise.
- Develop community awareness of Parkinson disease.
- Provide information, referral services, and speakers for "in-house" seminars and health forums.
- Encourage more funding for research.
- Maintain a library of books, publications and videos pertinent to Parkinson disease.

Mission Statement

"The Parkinson Association of South Dakota is dedicated to improving the quality of life for people touched by Parkinson disease."
