What is the Growing Healthy Incentive Program for Childcare Providers?

A FREE program to “Learn – Earn –Win”

The **Growing Healthy Incentive Program for Childcare Providers** is a community sponsored program. The program offers childcare providers opportunities to encourage a healthy lifestyle for children by participating in healthy lifestyle activities for children and encouraging families to participate as well. There is no cost to enroll or participate in the program.

Through this program, your facility can earn points that can be redeemed for Growing Healthy prizes. Points can be earned through facility and family participation in Growing Healthy events and services. These Growing Healthy events and services will be offered by Growing Healthy partners throughout the community for easy access.

You choose your facility's Growing Healthy prize once you have reached the qualifying point level.

Earn points to Receive Prizes It's as easy as 1-2-3

- 1. Enroll** - Complete and return the attached enrollment form.
- 2. Receive** your program's enrollment packet filled with Growing Healthy program information, your program's point tracking log and your Growing Healthy Program Incentive membership card.
- 3. Participate** - As a facility, participate in incentive programs, events and services to earn points.

Win...

Redeem your points for incentive prizes

Fundraiser Option – Get Points Quicker

Have families in your facility enroll in the **Growing Healthy Incentive Program for Parents** with their points designated to 'count' for your facility.

Point Qualifying Incentive Program, Events and Activities

- Website Challenge – Check the Growing Healthy website for the challenge of the month. Complete this challenge and redeem for points to win prizes.

Question Why Join?

Answer: For the Health of Children in Your Care

Taking time to promote healthy lifestyles to children has never been so important. Today's children are predicted to be the first generation in history that will not live as long as their parents (CDC). What we eat and how we physically move on a daily basis are putting our children at risk for health issues later in life. These risks include health issues such as diabetes, heart disease and high blood pressure. If we teach our children how to live a healthy lifestyle now, we have given them the gift of knowing how to live a healthier lifestyle in the future.

This program provides services that can assist you in teaching children how to live a healthy lifestyle, and have fun earning points for prizes along the way.

A healthier lifestyle and fun...A winning combination!

Incentive Program Partners – Where to Earn Points

Growing Healthy events are held throughout our community. Check with these partners for events and services that qualify for Growing Healthy Incentive program points:

- Your local community center
- Your church
- Your school
- Your health provider

As a program member, you will receive mailings to update you on where events and programs are being held.

You can also check on the Growing Healthy Website:
<http://www.healthsiouxfalls.org/>
for current events and classes.

Tracking of Your Points to Win Prizes

1. Earning Your Points – Crediting Your Account
 - a. Participating Growing Healthy Program Partners will have “Participation Logs” for staff and parents to sign when attending programs and events. Partners turn these logs into the Growing Healthy office. Your program will be credited points for staff and parent participation.
 - b. By completing activity logs, monthly challenges and other qualifying activities you will be given points upon receipt at the Growing Healthy office.
2. Qualifying Childcare Activities will be reviewed on a monthly basis and assigned appropriate points.
3. Programs can personally track points on your Program Point Tracking Log, or you can call (605) 333-0698 to check the status of your accrued points.
