

Sanford Scrubs Club

Explore healthcare careers at Sanford USD Medical Center!

High school students interested in healthcare are invited to participate in Sanford Scrubs Club! This once a month commitment will open up your career options!

Students will tour selected areas of Sanford hospital, speak to staff and learn about the education path to these health careers.

School Program Time Commitment: One 90 minute evening a month, September through April.

Last years students said:

 I loved going around in the different wings of the hospital!

 I liked the fact that I was able to get a better understanding of health careers that I didn't even know existed. It opened up more ideas of what I would like to do as a career.

 I really liked how we actually got to use the instruments that each doctor uses for their patients.

 I liked that we got to be active and not just listen to someone talk.

 I just liked learning about everything; I liked getting the tours and having hands on activities.

Space is limited so fill out the application and send to:
